Subject : Bulk sale of pesticide formulations from the basic manufacturer/other suppliers to the small scale manufacturer for repacking and marketing of the product.

Sir,

With reference to subject mentioned above, it is inform you that the Registration committee constituted under section 5 of the Insecticides Act, 1968 approved the bulk sale of pesticide formulation from basic manufacturer/other suppliers for repacking and marketing of the products in its 200th meeting held on 13.6.2000.

The guidelines on repacking from bulk quantity of the pesticides and their formulation as decided by the "Expert Committee" under the Chairmanship of Dr. K.V. Raghvan, Director, IICT, Hyderabad and endorsed by the registration committee subsequently in its 198th and 199th meetings are also enclosed. These guidelines shall be strictly followed for the repacking operation of the pesticide formulation by the manufacturers. The manner of labeling shall be done as per provision IS & IO of the Insecticides Rules 1971.

Yours faithfully,

(A.D. Pawar)
Secretary,
Central Insecticides Board
and Registration Committee

Encl : as above

Guidelines for bulk sale of Pesticides formulation for its repacking

1. The seller & purchase of the bulk formulation should possess the Certificate of Registration and manufacturing license for particular product.
2. Both the party shall have to obtain the ISI Certification Mark for the manufacturing of the product. (As and when this shall be applicable).
3. The Bulk formulator/seller shall sell the material to such manufacturer who have satisfied with the quality criteria of the products. Spurious pesticides shall not be pushed for selling to the unscrupulous manufacturers by offering lower rate of cost.
4. The manufacturer who shall purchase the bulk formulation from the basic and other reputed manufacturers shall also be satisfied before purchasing the bulk formulation and shall register their name with the seller.
5. Selling and purchase of the material by the manufacturers shall be reported to the licensing authorities for each consignment.
6. The bulk manufacturer and seller also can select the reputed company for selling their product and can refuse to sell anybody if they are not satisfied with the customer.
7. The manufacturer who shall purchase the bulk formulation should not mix the additional adjuvant or any foreign material with the purchased formulation.
8. The manufacturer shall repack the bulk formulation within sixty days of the receipt of the material in their plant of as per BIS guidelines. Accordingly they should select the quantity to purchase as per their capacity. Huge quantity of material shall not be dumped in the plant for repacking and no excuse shall be given regarding drop in concentration/reduction of active ingredient for the product.
9. In case of manufacturer who uses the manufacturing plant of other manufacturers by taking it on lease for some specified period may also repack their own product brought from their manufacturing plant situated in different states should also keep on record the corresponding batch number for each batch of formulation repacked by them in such plants to the satisfaction of the licensing authority of that particular State.
10. The basic manufacturer should also not prepare such formulation from the technical product which has less active ingredient and more impurities. Such products will be hazardous to the human health and environment and the stability of the product will be low. Therefore, the basic manufacturer should certify the active ingredient/associated impurities for each batch of the technical product from which the formulation was prepared to the seller and the licensing authority. The technical pesticides which are used for in-situ formulation shall be well checked by the ISI authorities / licensing authorities periodically before these are allowed to go for manufacturing formulation.
11. The manufacturers who possess the certificate of Registration of any product with provisional shelf-life shall not be allowed to repack the bulk formulation.
